

Burgess Named Information Technology Director at TwelveStone Health Partners

Experienced IT Veteran to Lead Technology and Information Security Team

TwelveStone Health Partners, a premier provider of comprehensive chronic care medication services, has named Jared Burgess as Director of Information Technology and Infrastructure.

“Keeping healthcare information safe, while simultaneously making sure it flows to the right people at the right time is no easy task,” says Cannon Loughry, chief operating officer of TwelveStone Health Partners. “Jared has the right combination of technical expertise and operational integrity to help TwelveStone realize its information infrastructure goals.”

Burgess is responsible for all of TwelveStone’s information technology efforts and oversees day-to-day support of all its software platforms to ensure effective utilization, information security, and data integrity.

Burgess joins TwelveStone from Sydney-based IncentiaPay, a marketing loyalty platform. His background also includes leadership roles at Auckland-based Bartercard, where he was chief information officer, and Jenkins Group Ltd, where he held a series of IT roles before becoming chief information officer for the packaging solutions company.

He earned his Bachelor of Science degree at Middle Tennessee State University. Burgess also holds a Certificate in Engineering from Auckland Institute of Technology.

About TwelveStone Health Partners

TwelveStone Health Partners incorporates the objective of glorifying God into its mission by delivering a higher level of service to partners and patients. As an organization, TwelveStone supports the transition from acute to post-acute care environments and the transition from sickness to health. This is the third evolution in the company’s history, beginning in 1980 when Richard Reeves and Ronald Powell created a single retail pharmacy location then called Reeves Powell Saveway Drug Store. In 1994 Shane Reeves and Rick Sain launched Reeves-Sain and over 20 years grew the organization to include seven companies. In 2015 Reeves Sain Drug Store, Inc., a retail pharmacy, and its specialty pharmacy, EntrustRx were sold to Fred’s, Inc. In 2016 Shane Reeves launched TwelveStone Health Partners with the objective of continuing to pursue the highest professional, business and community goals set forth by its founders.
