

TwelveStone Health Partners Named Top Workplace in 2021

The Tennessean Recognizes Leading Chronic Care Medication Management Organization for Exceptional Workplace Culture

TwelveStone Health Partners, a leading provider of comprehensive chronic care medication management, announced today that it was named the winner of the 2021 Tennessean Top Workplaces Award.

In partnership with Top Workplaces, The Tennessean has recognized 96 companies and organizations in Middle Tennessee as Top Workplaces in 2021 based on feedback captured from employee engagement surveys and evaluations, measuring different culture drivers. Questions in the scientific survey allow employees to rate their workplace culture and give feedback about what makes TwelveStone unique.

“This award is really heartwarming for the team at TwelveStone, said Shane Reeves, chief executive officer at TwelveStone. “It validates our mission and the fact that the excellent service we deliver translates into recognition of all the wonderful employees behind the scenes who do an exceptional job of caring for our patients.”

TwelveStone supports the transition from acute to post-acute care environments and the transition from sickness to health, offering a higher level of service to patients with chronic conditions including a headquarters location in Murfreesboro and infusion centers in Murfreesboro TN, Canton GA, Chattanooga TN, Knoxville TN, and Mt. Juliet TN.
