Companies on the 2022 Inc. 5000 Regionals Southeast list had an average 147% growth rate

MURFREESBORO, Tenn. ([PRWEB](#)) March 24, 2022 -- Inc. magazine today revealed that TwelveStone Health Partners is No. 69 on its third annual Inc. 5000 Regionals Southeast list, the most prestigious ranking of the fastest-growing private companies based in Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, Puerto Rico, South Carolina, and Tennessee. Born of the annual Inc. 5000 franchise, this regional list represents a unique look at the most successful companies within the Southeast region economy’s most dynamic segment—its independent small businesses.

“We are thrilled to be given this honor as we continue to aggressively expand our footprint across the Southeast,” said Shane Reeves, chief executive officer, TwelveStone Health Partners. “Our success is testament to the need for concierge care for those with long-term chronic medical conditions.”

The companies on this list show a remarkable rate of growth across all industries in the Southeast region. Between 2018 and 2020, these 173 private companies had an average growth rate of 147% percent and, in 2020 alone, they added 27,794 jobs and nearly \$4.9 billion to the Southeast region’s economy. Companies based in the Miami, Florida, Fairhope, Alabama, and Covington, Louisiana, areas had the highest growth rate overall.

“Our growth is directly related to the success of our business development team who have built strong relationships with our referral partners and their patients,” shared Dave Carter, chief revenue officer, TwelveStone Health Partners.

More about Inc. and the Inc. 5000 Regionals

Methodology

The 2022 Inc. 5000 Regionals are ranked according to percentage revenue growth when comparing 2018 and 2020. To qualify, companies must have been founded and generating revenue by March 31, 2018. They had to be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2019. (Since then, a number of companies on the list have gone public or been acquired.) The minimum revenue required for 2018 is \$100,000; the minimum for 2020 is \$1 million. As always, Inc. reserves the right to decline applicants for subjective reasons.
