*For the 3rd Time, TwelveStone Appears on the Inc. 5000 With Three-Year Revenue Growth of 75% Percent Year-Over-Year*

Today, Inc. revealed TwelveStone Health Partners is No. 1,827 on its annual Inc. 5000 list, the most prestigious ranking of the fastest-growing private companies in America. The list represents a one-of-a-kind look at the most successful companies within the economy's most dynamic segment—its independent businesses. Facebook, Chobani, Under Armour, Microsoft, Patagonia, and many other well-known names gained their first national exposure as honorees on the Inc. 5000.

“We are honored to receive this for a third year,” says Dave Carter, chief revenue officer, TwelveStone Health Partners. “Our ranking reflects the diligent work done by our business development team in expanding our footprint across the southeast.”

The companies on the 2022 Inc. 5000 have not only been successful, but have also demonstrated resilience amid supply chain woes, labor shortages, and the ongoing impact of Covid-19. Among the top 500, the average median three-year revenue growth rate soared to 2,144 percent. Together, those companies added more than 68,394 jobs over the past three years.

“Our rapid expansion and success during the pandemic are a testament to the incredible service we deliver to every patient struggling with a long-term chronic condition,” said Shane Reeves, chief executive officer, TwelveStone Health Partners. “We are thrilled to receive this award for the third straight year.”

Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at [www.inc.com/inc5000](http://www.inc.com/inc5000). #### Methodology

Companies on the 2022 Inc. 5000 are ranked according to percentage revenue growth from 2018 to 2021. To qualify, companies must have been founded and generating revenue by March 31, 2018. They must be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2021. As always, Inc. reserves the right to decline applicants for subjective reasons. Growth rates used to determine company rankings were calculated to four decimal places.
